### **English- Key**

Adjectives: Words that describe or modify a noun or a pronoun are called adjectives.

**Demonstrative Adjectives:** A demonstrative adjective points out some person or thing.

Ex: This, that, those, these, such & certain

◆ Demonstrative adjectives answer the question “Which one? “

Ex 1. **These** bikes are not parked properly.

Here, in this example, **these** is the Demonstrative Adjective as it points out to **bikes**.

**Possessive Adjectives :** Adjectives that show the possession or the belongingness of the noun are called a possessive adjectives.

#### **Possessive Adjectives**

	<b>Singular</b>	<b>Plural</b>
First Person	<b>My</b>	<b>Our</b>
Second Person	<b>Your</b>	<b>Your</b>
Third Person	<b>His, Her, Its</b>	<b>Their</b>

Ex: **His** pen is on the table.

In this example, **His** is the possessive adjective as it tells about the belongingness of the **pen**.

**Interrogative Adjectives:** An interrogative adjective is used before a noun to ask questions.

Ex: Whose, What, Which ...

Ex: **What** does COVID-19 stand for?

Here, in this example **what** is the Interrogative adjective .

Underline the adjectives in these sentences and classify them as Demonstrative Adjective(D.A) or Possessive Adjective (P.A) or Interrogative Adjective ( I.A )
