

I. Match the means of communication with related picture.

Television

Computer

Newspaper

Radio

Cellphone

Telephone

Letter

The image shows a matching exercise. On the left, there are six labels: Television, Computer, Newspaper, Radio, Cellphone, and Telephone. On the right, there are six corresponding images: a corded telephone, a desktop computer, a television news anchor, a portable radio, a smartphone, and a stack of newspapers. Lines connect the labels to the images: Telephone to the corded phone, Computer to the desktop computer, Newspaper to the stack of newspapers, Radio to the portable radio, Cellphone to the smartphone, and Television to the television news anchor.

Activity: Make a string telephone and talk to your parents.
